Dear [REDACTED]

[REDACTED]

This letter is in reference to your meeting with Assistant Director Roger S. Young, Deputy Assistant Director Roger T. Castonguay, and Section Chief Stanley Klein on May 24, 1982. As you are aware, the Federal Bureau of Investigation (FBI) shares your concern that the perpetrator(s) of the senseless crimes against Turkish diplomats be brought to justice as soon as possible, and we are vigorously investigating these matters. You may be assured that we are doing everything within our mandate to prevent such incidents and to identify and apprehend those involved in these acts of terrorism.

It is essential in the FBI's investigation of Armenian terrorism in the United States that the FBI be provided the utmost cooperation from within both the Armenian and Turkish communities in the United States. The FBI would appreciate those members of your association who receive threats from Armenian terrorists, to provide this information to the local FBI field office in their area and assist them in identifying these individuals. The FBI would also appreciate any information which members of your association may possess regarding the identities of Armenian terrorists in the United States.

DE-73 N 94-69934-1

Your cooperation in this matter is greatly appreciated.

Sincerely yours,

OR/m JUN 23 1982

Dear [redacted]

[redacted] the Association of Turkish American Associations which is the nationwide representative of the Turkish-American community in the United States, I have the responsibility for insuring the security of our members and guests attending our Tenth Annual Convention in Oakland, California during the week of May 20-22, 1987.

We will be having several highranking Turkish government ministers and parliamentarians, the Turkish Ambassador to the United States, and highranking American government officials in attendance.

Due to the everpresent threat of Armenian terrorism we want to coordinate our security arrangements well in advance with the FBI. We plan to hold our meetings in the Oakland Hyatt Regency and do not want to have them disrupted by Armenian extremists.

In a conversation with [redacted] in Congressman Wally Herger's office, we were advised of your work in the area of Armenian terrorism. Please advise us on measures to take in making security arrangements or suggest people we should contact within the FBI to insure the safety of our guests.
